

Join the Singles League

\$20
per player

Sign - up Deadline:

April 24, 2012

How it works:

Register by the deadline, and you receive a contact list of everyone else who has signed up for this league. The game is 501 and you will play best of 11 (first player to 6 wins). You can play your match anywhere that has a dartboard, on any night you wish. Just set it up with your opponent, a time & place to meet, and play your games. Once finished, text in your score to Cali @ 575-9628. Then work on setting up your next match. You can play a few matches in one evening or one per night; whatever fits into your schedule.

Winners:

When all the matches have been played, scores are tallied and the top 1-2 players receive a free entrance into the upcoming regional (number of winners depend on participation.) When these players attend the regional, the points they have accumulated are “turned in” and they go back to zero.

Non-winners:

After the league is complete, and the winners are announced, all those who did not win, get to keep the points they have accumulated, and that is the points they start the next singles league with. This gives non-winners a head start in the points race for the next regional.

Divisions:

The singles league can be divided into different divisions, according to skill level. **There is also a separate league for the ladies**, which can also be divided into divisions. The only requirement is that there must be at least 6 players in each separate bracket.

Sign-ups:

Sign ups are being taken now. Winners get to shoot in the regional (held June 2, 2012) to qualify for the Nationals in Stamford, CT. Cash prizes are given to top finishers and all participants in the East-West National receive an embroidered shirt. Please contact Cali West if interested, (315)575-9628 or caliwest180@gmail.com.
