

PICTURE SCHEDULE

Jerry Klineberg has been retained to take our team pictures for us again this year. The schedule below list the date that your team will be shot. Remember you may or may not be the Home Team that night. Those of you that are the Home Team Captain's, please be sure to interrupt your match and let Jerry get your pictures so that he may move on. He has several stops to make each night and your cooperation in getting him out as fast as possible will be greatly appreciated.

Thanks and Good Darting !
